Your week will include meal preparation, a tire hunt, time in our Green Industries, working with our developmentally disabled population and with homeless children and adults, buildings and grounds maintenance projects and more. Evening activities include sightseeing in the City with a faith-based focus, reflection on the day's work and time for fun.

You will stay at Cass Community UMC on camp style beds or on participant supplied air mattresses.

Cass Community UMC is located in a walkable neighborhood with ice cream and coffee shops nearby.
